OBJECTION TO TRUSTEE'S MOTION TO DISMISS

---

NOW COME the Debtors, by their attorney, George B. Goyke of Goyke & Tillisch, LLP, and object to the Trustee's motion to dismiss its case as follows:

1. Debtors have fallen behind on plan payments due to the employers failure to follow the Court's Order.
2. Debtors made up the delinquency through a direct payment.
3. It would be inequitable to dismiss their case under the circumstances.

WHEREFORE, the Debtors object to the Trustee's motion to dismiss and request a hearing thereon.

Dated this 3<sup>rd</sup> day of December, 2019.
